

REPUBLICANS MET AT THE CREAM CITY

NATIONAL LEAGUE OF CLUBS IS IN SESSION.

Supporters of General McAlpin Predict His Success—Wisconsin Gold Democrats Hold a Conference—Bryan Speaks to Crowds—Vilas For President—Other Political News.

Milwaukee, Wis., Aug. 25.—Incoming trains and steamers Monday brought to Milwaukee a number of delegates to the convention of the National League of Republican Clubs, which opened this morning. The Illinois leaguers who are here are working hard for the election of Charles U. Gordon of Chicago, and they say they are confident they are going to win. Other candidates are Congressman Woodmansee of Ohio and John L. Webster of Nebraska. There is a strife for the location of the next convention. The contestants are Boston, New Orleans, Detroit, Chattanooga, Omaha and Portland.

Major John M. Totten, General McAlpin's right-hand man, said that President McAlpin was certainly in the field for re-election. "If he is not elected," said Major Totten, "it will be the deathknell of the league in the east. It has been customary to re-elect the president, and we will not allow General McAlpin to be turned down at the dictation of political bosses outside the organization." McAlpin's friends say he has paid the league's debts and for this reason is entitled to consideration.

Wisconsin Gold Men Confer.

Milwaukee, Wis., Aug. 25.—Gold democratic leaders from all over the state met in headquarters at the Planckton house Monday night. The conference was for the purpose of mapping out a programme for the convention on Wednesday. The hitch came on the question of the advisability of putting a state ticket in the field, and over this there was a heated debate that lasted for hours. Speeches were made by Senator Vilas, Gen. Bragg, James G. Flanders and J. J. Hogan. Vilas and his following are opposed to a state ticket, while Gen. Bragg is outspoken in urging that separate nominations be made all along the line, from governor down to coroners. The conference adjourned at shortly before midnight without having decided the question. It will be left to the gold state central committee, which is to be selected by Wednesday's convention.

PEOPLE RUSH TO MEET BRYAN.

Crowds Hear Him Speak on His Way to the Catskills.

Kingston, N. Y., Aug. 25.—Mr. and Mrs. Bryan were brought over the Hudson from Rhinecliff to Kingston Point Monday afternoon on a tug. Three or four hundred persons were at the landing, where the train was in waiting to receive the passengers from the tug boat, en route to the Catskills. The train then moved on toward Kingston union depot, four miles away. At this point the West Shore train had just brought a crowd of passengers, waiting to be transferred to this train. In addition several hundred people had assembled to greet the Bryan party. No speech was made, as it was announced there that Mr. Bryan would make a formal address to the people of this city in front of the city hall on his return from the Catskills this afternoon.

The next stop was Allaben. Though brief, Mr. Bryan again took the people by the hand, until the train began moving away. At Shandaken a large crowd had gathered. Again the silver candidate and his wife made their appearance and greeted the crowd cordially. On reaching the railroad station at Big Indian a large crowd was found waiting the arrival of the party, and it was with difficulty that Mr. Bryan and his wife were escorted to the carriage which was waiting to convey them up the Big Indian valley. He was forced to speak a few words from the piazza of a boarding house near by. Mr. Bryan spoke for three minutes, and then hurried away for the Lodge after meeting Samuel J. Cornell of the New Grand hotel promising to drive over there. A special train will then be taken for Kingston, where he will speak at length at 1 o'clock.

VILAS FOR PRESIDENT.

Wisconsin Statesman the Choice of Gold Democrats.

Indianapolis, Ind., Aug. 25.—The gold standard democrats have turned their faces toward William F. Vilas of Wisconsin. Vilas and Buckner is the ticket now proposed, and the men at headquarters say that if Vilas will accept the nomination he will certainly be made the candidate. Next to Vilas, Watterson seems to be the favorite. It has been practically decided by the executive committee of the national democratic party that the temporary chairman of the convention shall be taken from the east and the permanent chairman from the south. The men who will preside have been informed of the fact, but their names will not be made public until after the meeting of the full national committee here one week from to-day. Several names were mentioned at headquarters, but the plan seems to be to make Bourke Cockran of New York temporary chairman and Donelson Caffery of Louisiana permanent chairman. John M.

Palmer of Illinois, chairman of the national committee, will call the convention to order. It is believed at headquarters that the convention will not last longer than two days.

TRY TO NAME A TICKET.

Illinois Gold Democrats in Caucus at Chicago.

Chicago, Aug. 25.—Anti-silver democrats meet in state convention Monday noon at Battery D and probably will nominate a ticket. A slate was practically agreed upon at a conference last night at the Palmer house. About sixty democrats who are opposed to the Chicago platform were present. During the afternoon there was a conference, which brought out the fact that the convention probably will have a fight over the wording of the financial plank in the platform and over the manner in which Gov. Altgeld should be treated in the resolutions. At the conference these questions were not taken up, but another meeting will be held early this morning, at which an attempt will be made to arrange the platform so that it can be adopted by the convention without a contest in the open. The ticket likely to be nominated is as follows:

For governor, John C. Black.
For lieutenant-governor, Chester A. Babcock.
For attorney-general, William S. Forman.
For state auditor, F. E. W. Brink.
For state treasurer, Edward Ridgely.

For secretary of state, L. J. Kadeski.
For trustee of the State University, Mrs. B. L. T. Bourland, S. T. Busey.
For electors-at-large, C. E. Babcock, Charles A. Ewing, C. Hegeler.

For delegates-at-large to the national convention, John M. Palmer, John P. Hopkins, Henry S. Robbins, C. A. Ewing, John C. Black, James Shecan.

ILLINOIS STATE CAMPAIGN.

Gov. Altgeld Billed to Speak in Several Cities, Beginning Saturday.

Chicago, Aug. 25.—All arrangements have been made by the democratic advocates of free silver for the opening of the state campaign. Gov. Altgeld has advised the managers that he will return much benefited in health, and capable of conducting a vigorous campaign. Acting upon this advice, Committee Bentley, who has charge of the assignment of speakers, has arranged that Gov. Altgeld shall speak at the following places upon the dates given: Gerrard, Aug. 29; Rock Island, Sept. 5; Lincoln, Sept. 7; Petersburg, Sept. 10; Fairfield, Sept. 12. Committee Bentley is making arrangements for a number of other men besides Gov. Altgeld to stump the state for the free-silver democracy. Communications have been addressed to many well-known speakers, and several have signified their willingness publicly to espouse the cause of Bryan, Sewall and free silver throughout the state. Arrangements are being made to establish a circuit of speakers, who will be directed by the managers at state headquarters in this city.

Tillman's Visit to Watson.

Atlanta, Ga., Aug. 25.—The Journal prints a story which it says comes from a source of undoubted authenticity to the effect that the purpose of visit to Thomas E. Watson at his late home in Thompson, was to see if Mr. Watson could be induced to retire from the vice-presidential race on the promise of a place on Bryan's cabinet. The Journal's informant says there is no doubt that a tentative offer of such a position was made, by whose authority it is not known, and very promptly declined. It is said that a similar offer is to be made to Mr. Sewall. In this connection it is noted as significant that Mr. Watson has been declaring with confidence of late that he would be on the democratic ticket inside of two weeks.

Iowa Gold Democrats to Meet.

Des Moines, Iowa, Aug. 25.—Few delegates have arrived to attend the convention of the gold wing of the democratic party Wednesday. A large attendance, in any event, is not expected. Gold democrats, it is said, do not believe that more than a quarter of the members of the party in Iowa are with them. For that reason they do not expect to nominate a state ticket at the convention. According to the program, as now arranged by the managers, the exclusive work of the convention will be the formation of an address, or platform, and the selection of delegates to attend the national convention of the gold wing in Indianapolis Sept. 2.

Meets to Arrange the Campaign.

Washington, Aug. 26.—The executive committee of the silver party has been called to meet in this city tonight. It will be the first meeting of the committee since the St. Louis convention, and is looked upon as an important one. The object of the meeting is to arrange the plans of campaign.

Chairman Stevens of the silver committee returned from New York Sunday night. "If Bryan carries Illinois he will carry New York," he said. "The chances are just as good in New York as in Illinois, and we expect to carry the latter state. There is no doubt about New York if Tammany gives the ticket loyal support, which I am confident will be the case."

ZUELKE IS SEEN IN THE BIG WOODS

GREEN LAKE COUNTY MURDERER LOCATED.

Bookkeeper in a Lumber Camp Follows Him For a Month, and Then Notifies the Authorities—All the Descriptions Tally To a Nicety—Held a Man Up.

Oconto, Wis., Aug. 25.—[Special.]—Julius Zuelke, the murderer of Edward Davis, the Green Lake county farmer, is still thought to be at large in an uninhabited portion of Oconto county. A book-keeper in the railroaders camp along the Wisconsin & Northern Railroad has communicated to the undersheriff of this county to the effect, that unmistakable evidence of recent habitation in a hitherto deserted shanty near Boot Lake had been discovered, and that a man answering the description of Zuelke was seen in that vicinity. With three days' rations on hand the book-keeper secreted himself in the cabin and awaited the return of the supposed criminal, but he came not. Later he met two cruisers who claimed to have seen a man answering Zuelke's description, but renewed search failed in discovering his whereabouts. Still later John Robertson was held up five miles north of McCauslin Brook, and the description he gave of the man was precisely the same as that given by the cruisers. The bookkeeper was out over a month in his search and traveled over 1,000 miles. He thinks that the fugitive may have gone into the dense woods by way of Carver.

RAMSAY'S CASE UP AGAIN.

Contention of the Bondsmen of the Late State Treasurer to Be Heard.
Mount Vernon, Ill., Aug. 25.—Appellate court convenes today for the regular August term, and one of the most important cases is that of John H. Whitbeck and others, bondsmen of the late Rufus N. Ramsay, state treasurer, for \$363,539.92. The bondsmen of Treasurer Ramsay paid into the state treasury \$478,539.92. The full amount of the treasurer's shortage, and property, such as notes held as collateral by him for money loaned, which was in the treasury vaults at the time of his death, was delivered to the bondsmen by the governor on receipt of the full amount of the treasurer's shortage. Out of this collateral or security the bondsmen realized the sum of \$115,000, which was applied as a credit on the \$478,539.92, leaving \$363,539.92, the amount now in controversy. The county court of Clinton county gave the bondsmen a judgment against Ramsay's estate for the sum mentioned, but the estate and other creditors appealed the case to the Clinton county circuit court, and the circuit court decided against the bondsmen, who appealed from the decision, and the case comes to the appellate court as a result.

Lincoln, Neb., Aug. 25.—The annual reunion of the Grand Army of Nebraska opened auspiciously here Monday. It was dedicated in the afternoon with an address by Judge Hayward and turned over to Department Commander Culver. Governor Holcomb, accompanied by state officers, was present and took part in the exercises.

A FIRE BUG WORKS AT BRODHEAD, WIS.

SECOND ATTEMPT TO DESTROY BUILDINGS.

Billiard Hall and Hardware Store Ignited, But the Blaze Is Extinguished in Time to Prevent Explosion of Gasoline, That Would Have Killed Somebody.

Brodhead, Wis., Aug. 25.—[Special.]—An attempt was made last night to burn out the business houses on the east side of Center street. The rear of Green & Myers billiard hall and E. C. Murdock's hardware store were damaged by the fire, but luckily it was discovered before it got to the gasoline and oil tanks, or the loss of life and great destruction of property would have been the result.

KNIGHTS OF PYTHIAS INCREASE

The Reports of the Officers Are Eminently Satisfactory.

Cleveland, Aug. 25.—The Pythians have taken the forest city by storm, and according to present appearances the meeting of the supreme lodge and encampment of the uniform rank will be the largest and most successful in the history of the order. On the basis of the correspondence that has been pouring into headquarters for weeks past it is estimated that not less than seventy-five thousand Pythians and their friends will make Cleveland their mecca during the next few days, and of these fully fifteen thousand will be members of the uniform rank.

Monday was devoted to the welcoming of brigades, regiments and visiting brothers, and the numerous reception committees were kept busy in escorting the detachments, which came on in regular and special trains, to their headquarters. In the afternoon Camp Perry-Payne was formally dedicated with imposing ceremonies. Jas. Dunn made the address for the general committee and Director General Wilson M. Day spoke for the centennial committee. Then amid rousing cheers Mayor R. E. McKisson, in a neat speech, presented Camp Perry-Payne to the knights. It was accepted by Major General J. R. Carnahan of Indianapolis in felicitous terms. Then the camp flag was hoisted to the top of the pole, while the band played "America," cannon boomed, the knights saluted and the crowd shouted itself hoarse. At night the superior council of the uniform rank met in special assembly at the headquarters of Major General Carnahan.

The reports of the officers of the grand lodge show a remarkable growth and development of the order. That of Supreme Chancellor Walter B. Richie was listened to with especial interest and was praised for its patriotic utterances on the Americanism of the order. The report of R. L. C. White, supreme keeper of records and seals, showed that in 1864 there were three subordinate lodges and seventy-eight members, and in 1895 6,494 subordinate lodges, and 464,539 members. The states in which the greatest gains were made were: Ohio, 3,959; Illinois, 3,317; Iowa, 2,265; Massachusetts, 1,919; Missouri, 1,612; North Carolina, 1,404; Maine, 1,314; Texas, 1,219. There was a loss of 2,087 in Kansas and 4,166 in Pennsylvania. There were gains in thirty-eight states and territories and a loss in sixteen.

In his report, Thomas G. Sample, supreme master of the exchequer, congratulated the order upon the healthy condition of finances. The receipts for the biennial term ending March 31, 1896, including a balance of \$29,059, were \$183,600 and the expenditures \$147,703, leaving a balance of \$35,897.

The report of Major General James R. Carnahan, commanding the uniform rank, showed that the revenues had been sufficient to meet all the expenses of the management.

After that Mr. Watson will again enter the northwest, going as far as Idaho and Washington. He will come east in time to give some attention to the eastern states before election.

These speeches were delivered to audiences made up in large degree of farmers. Gen. Warner left last night for Zanesville, where he will address a large meeting to-day. He has issued an open letter to "the friends of bimetallism" of the United States urging the need of thorough organization.

Train No. 14 is composed of sleeping cars and mail cars. Just as it reached Valencia a work train ran into a freight train, and the grade being heavy, several cars of the work train ran back, colliding with the passenger train. The collision threw the cars over a steep embankment, and a number of the passengers were caught in the wreck.

The position of the freight train cannot be explained. It should have been on a siding, out of the way of a passenger train. The work train was running for the Bakerstown siding when it collided with the freight.

WAR CLOUD MOVES SOUTH.

Serious Trouble Exists Between Brazil and Italy.

Rio Janeiro, Aug. 25.—Numerous conflicts are reported to have occurred between the Brazilians and the Italians in San Paulo on Saturday and Sunday, and the agitation still continues.

It is believed the Brazilian government will withdraw the exequatur from the Italian consul, whom the newspapers accuse of supporting the Italians in their agitation. Similar manifestations and scenes of disorder are expected here in the near future. The Brazilian chamber of deputies has rejected the protocol arranged for in the settlement of the claims of the Italians who suffered in former political troubles.

As a result of the trouble between the Brazilians and the Italians in San Paulo during the last three days three persons are reported to have been killed and forty wounded.

The bank is not a big institution and has, it is claimed, assets aggregating \$160,000, with liabilities of a like figure. FRANCIS IS ELEVATED.

Ex-Governor of Missouri Appointed Secretary of the Interior.

Buzzard's Bay, Mass., Aug. 25.—Announcement was made by President Cleveland at Gray Gables Monday night of the appointment of David R. Francis, ex-Governor of Missouri, as secretary of the interior, vice Hoke Smith, who recently resigned the secretaryship because of his financial views. Mr. Francis will probably assume office Sept. 1, as that is the date named in Secretary Smith's resignation.

Washington, Aug. 25.—The announcement that the president had appointed ex-Governor Francis of Missouri to succeed Mr. Smith as secretary of the interior rather surprised Washington more because of the suddenness with which it followed on the heels of the announcement of Mr. Smith's retirement than because of the selection. There was a feeling that the president would probably select Mr. Smith's successor from the middle west, as the south was already well represented in his official family. Speculation, therefore, went to Missouri, Indiana, and Illinois, and the names of ex-Governor Francis, ex-Congressman Bynum, and others naturally suggested themselves.

Ex-Governor Francis throughout his political career has been a strong supporter and a warm friend of Mr. Cleveland and the administration. Despite the high honors he has already achieved, he is still a comparatively young man, in the neighborhood of 50, strong and vigorous, of sunny temperament and genial disposition. He was said to be a millionaire a few years ago.

Secretary Smith immediately telegraphed his congratulations to ex-Governor Francis. He expects to relinquish his office to his successor on Sept. 1.

FOR THE BIG FIGHT.

Arrangements for the Corbett-Sharkey Go Being Completed.

New York, Aug. 25.—D. J. Lynch and Samuel Thall, representing the pugilists, Thomas Sharkey and James J. Corbett, respectively, met in a downtown newspaper office Monday afternoon to definitely decide upon the fight in which their principals are engaged to appear. Corbett, who is to do his own managing, was not present, and the final disposition of the affair went over.

It was agreed that the title champion heavy-weight of the world should go with the fight on the ground that Fitzsimmons had failed to cover within six months a \$1,000 forfeit Corbett posted here and at Chicago on Jan. 25 last. There are two bids for the fight. The National Sporting club of San Francisco, before which Corbett and Sharkey had their four-round go, has offered a purse of \$20,000. W. H. Wheelock, representing Dan Stuart of Dallas, said that Stuart would put up a purse, and with it a guaranty to pull the fight off the day stipulated or forfeit the entire amount, but he would not offer \$20,000. Stuart is the man who did not pull off the match between Corbett and Fitzsimmons. Should the San Francisco club get the fight it will try to have the meeting take place in Arizona.

SUIT FOR DAMAGES NOW IN PROSPECT

NOTICE SERVED ON THE COUNCIL LAST NIGHT.

Mrs. Pickering Holds the City Liable—Gunpowder Ordinance Is Passed—Sidewalks To Be on Line—Weeds in the City To Be Cut—Other Work.

At last night's meeting of the common council, the aldermen:

Received notice from Mrs. Harriet Pickering, that she would hold the city responsible for an injury sustained by reason of defective sidewalk.

Disallowed P. A. McGuire's claim for damages, because of his horse being scared by water in the gutter.

Listened to the reading of a communication from Oak Lawn Hospital, and referred the same to the finance committee.

Granted the judiciary committee further time to investigate the smoke ordinance.

Referred Captain Henry "Hotcross" application, to build inside the fire limit.

Named the public park in the Second ward, "Watson Park," in honor of John Watson, who had spent much time in beautifying the plat of ground.

Passed an ordinance regarding the laying and repairing of sidewalks, and providing that they be kept in line.

Instructed the street commissioner to have a man to cut the weeds in each ward.

A full board of aldermen was present. The minutes were read and approved and the report of the city treasurer was referred to the finance committee.

The clerk presented a bill for \$100 damages done by water at Charles T. Wilcox's building, Mr. Wilcox stating in his communication, that not only had the building been damaged to that amount, but he had lost a chance to lease the property for five years, the prospective tenant backing out when he learned that the water could get into the basement.

The claim was referred to the highway committee and further time granted.

W. B. Campbell asked for permission to move a barn from the Third ward to Spring Brook, and on Alderman Inman's motion permission was granted.

Holds City Responsible.

Mrs. Harriet Pickering, through her attorney, John Cunningham, served notice on the city that she would hold the city responsible for injuries received because of a fall on a defective sidewalk near the bridge on Center avenue on August 5. The matter was referred to the highway committee, and further time granted.

Chairman Heddles, of the finance committee, reported favorably on a number of bills, and they were ordered paid.

Alderman McKey then asked for five minutes recess, that the fire and water committee might meet. Granted.

When the council again came to order, Chairman Heddles, of the finance committee, reported that the committee would report unfavorably on the claim of P. A. McGuire for damage because his horse ran away after being frightened by a rush of water in the gutter. City Attorney McElroy stated that the city was in no way liable, so the committee report was adopted.

Alderman Heddles presented the following communication from the Oak Lawn Hospital management, and asked that it be referred to the finance committee:

To the Honorable, the Mayor and the Common Council—The officers of the Oak Lawn Hospital association beg leave to state that the hospital has been open continuously for patients since the 4th of November last and that there have been charitable cases therein nearly all of that time. The hospital gives promise of acceptable service in the future, and we respectfully ask of your body the \$500 for the current year which you so generously appropriated a year ago.

W. T. VANKIRK, President.

STANLEY B. SMITH, Treasurer.

The matter was referred as requested.

Time To Look Into Smoke.

Chairman McLean, of the judiciary committee, asked for further time before reporting on the smoke ordinance saying that the objectionable smoke stack was about to be repaired to remedy the difficulty. The request was granted.

Chairman McKey, of the fire and water committee reported unfavorably on the application of Capt. Norcross for permission to build an addition to the Pheobus block. The report was adopted.

Chairman Burnham of the sewerage committee said that all the property owners that had been seen, were willing to join with the city in building the proposed sewer from the City Hall to Dodge street.

Alderman McLean asked if the highway committee had looked into the matter of providing street signs as it was requested to do some time ago. Chairman Miltimore said that the committee had made an investigation and would report at the next meeting.

Alderman McLean then called for the third reading of the gunpowder

ordinance, stating that the ordinance had been published and that there had been no objection made thereto. The ordinance was read and adopted, all voting aye except Alderman Stoddard who voted "no."

Alderman Burnham then stated that there was a small public park at the intersection of Fourth and Fifth avenues. The ground had been made into a park by one man, whose only recompense had been the good will and appreciation of his neighbors. In recognition of the services of John Watson, who had made the plat an inviting looking spot, he moved that the park be known as "Watson's park" from this on. The motion was unanimously adopted.

Sidewalk Ordinance Passed

Alderman Heddles introduced an ordinance entitled "an ordinance to regulate the construction of sidewalks in the city of Janesville," and providing that all sidewalks hereafter built in the city of Janesville on any street whereon sidewalks have theretofore been constructed shall be placed at the same distance from the lot line as such previously constructed sidewalks are placed and in line therewith.

The ordinance was given its first and second reading, the rules were suspended and it was given its third reading, put upon its passage and adopted.

The following orders were adopted:

Alderman Heddles—Directing the street commissioner to serve legal notice on the owner of the lot on the northeast corner of Milwaukee and Marion streets to build or repair the sidewalk; also that the street commissioner repair Magnolia avenue.

Alderman McKey—For a crosswalk across Wheeler street on the east side of South Main street; put in a tile culvert across Racine street at South Bluff; fix the gutter on Jackson street at the corner of Court; serve legal notice on the owner of lot U, Carrington, Wheeler & Whitehead's addition, to build a sidewalk on East Oak street.

Alderman Kothman—To take up the tile culverts running across east and west sides of Cherry street on Center street, and put same on the north and west sides of Center street across Cherry street; also, put in a tile culvert across Cherry street; also, put in a tile culvert across Armour street, on the south side of Center street.

Also, that the street commissioner notify the superintendent of the Janesville cotton mills to clean out and remove obstructions in the ditch on the north side of that part of Mill street lying west of Palm street.

Another Ordinance Read.

Alderman Inman's motion that the ordinance creating the office of city engineer, be read the third time, was adopted, after which the matter was at Alderman Inman's request, referred to the judiciary committee.

Alderman McKey stated that Mr. Cunningham would pay for the gas used in a street lamp at his residence, if the city would furnish the post. Alderman McKey said that other people would be benefited by the light, and his motion that the city furnish the post, was adopted.

Alderman Burnham said he did not know whether or not the weed commissioner had visited the Second ward, but that there were plenty of weeds that should be cut. He moved that the street commissioner hire a man to cut them. Alderman Heddles and Kothman asked that the motion be made general so as to cover their wards and the city at large. Alderman Burnham so amended his motion, and all the aldermen voted aye. Other orders were adopted as follows:

Alderman Jones—An order for a tile culvert on the west side of Gold street at the intersection of Western avenue; also repair with tile the culverts on the east side of Gold street at the intersection of Clarion street and on the West side of Linn street at the intersection of Galena street. GOT THE BACTERIA FROM THE DEAD

CLINTON'S BOARD OF HEALTH
MAKE STATEMENT.

Article Concerning the Recent Epidemic of Diphtheria at That Village, From the Pen of Dr. Covert—Milton To Have a Republican Club—Other News of the County.

Clinton, Aug. 24—Editor Gazette—The Clinton "diphtheria scare" has elicited some irresponsible and remarkable statements in the columns of your paper. Your latest informant alleges that the "scare" is due entirely to the "bickerings and rivalry of the physicians."

Now the animal I drive is called a horse. Some ignoramus might call it a cow. Would that constitute rivalry?

At the present time it is not opinions and the reputations of local doctors nor even the financial interests of the merchants, which are at stake, but the life and health of the community.

In this end the Clinton Board of Health have simply done their duty, since proper complaint was made to them and that in the face of most determined opposition. By the authority of the State Board of Health quarantine was established in several families. Culture tubes were sent here by the State Board that the nature of the disease might be settled by scientific research. The agent of the board was refused admittance to the sick by the attending physicians. Material for the culture tubes had to be obtained from the dead for bacteriological examination, and the result justified the assumptions of the board.

We cannot value a human life as lightly as your informant who says: "All scare would have blown over in a few days and the deaths been forgotten." This is poor consolation for the families who may feel that, if the first case of "contagious disease" had been correctly diagnosed, promptly reported to the local authorities according to law and properly quarantined, the "hand of Providence" would not have been laid upon them so heavily.

However much the "mouth of fools babbleth out foolishness" the Clinton Board of Health proposes to do its duty without fear or favor.

Every means possible will be taken to prevent any further spread of the disease. While efficient quarantine is maintained in the few families where the disease is located, there is no necessity whatever for the public to boycott our village merchants. In behalf of the Clinton Board of Health, GEORGE COVERT, Health Officer.

THE OVERFLOW OF LOCAL NEWS.

HARPER IS CHOSEN BY REPUBLICANS

IS REELECTED PRESIDENT OF THE LEAGUE CLUB.

Gazette's Correspondent Was In Error Yesterday, when He Telegraphed the Election of M. G. Jeffris. Although the Janesville Man Made a Handsome Showing.

President—Samuel A. Harper, Madison. Secretary—David C. Owen, Milwaukee. Treasurer—F. S. Veeder, Mauston.

The Gazette's Milwaukee correspondent was in error in announcing the election of M. G. Jeffris as president of the State League of Republican Club, yesterday, although Mr. Jeffris made a splendid showing. Secretary Owen called the roll and President Harper abandoned the chair. Col. John R. Hicks, of Oshkosh, presided during the rest of the meeting.

When the second district was reached, Henry C. Adams, of Madison, nominated Samuel A. Harper, for president of the league. "Two years ago," he said, "when he was elected, there were only fifty clubs in the league of the state and now there are 250. He has labored early and late for the league. It has been said about the hotels for a day or two that Mr. Harper has used the machinery of the league for the benefit of a certain candidate before the republican convention. [Applause.] We don't want a man at the head of the league who is either a transparency or a stick. We want a man with strength to live up to his associations. I nominate Samuel A. Harper for president of the Wisconsin Republican League.

A. H. Long, of the Third district, delegation, made a neat speech seconding the nomination of Mr. Harper.

The Fourth For Jeffris. When the fourth district was reached John G. Gregory in a brief but fiery speech placed Malcolm G. Jeffris. "He is a young man who has always been willing to work for the republican party," he said. "He will make as good a president as the league has ever had."

William Harrison, a delegate from the Fourth ward, made a telling campaign speech and ended by seconding the nomination of Harper, sitting down amidst a burst of applause that lasted for over a minute. Joseph Turner seconded Jeffris' nomination.

No other candidates were put in nomination. The fifth district seconded Harper; the sixth was divided between Jeffris and Harper. B. J. Castle, of the Seventh district, spoke at some length for Harper. The Ninth district seconded Jeffris, while the Tenth was divided between the two candidates.

When the roll was completed, the First district delegation furnished seconds for both Jeffris and Harper. Wallace Ingalls, of Racine, counselling the election of Jeffris and Harvey Clarke, of Walworth county, supporting Harper.

President Harper Re-elected. At 5:30 the convention proceeded to a formal ballot, which resulted in the election of Harper by a vote of 435 1/2 over Jeffris, who received 301 1/2 votes. The ballot in detail is as follows:

District	Harper	Jeffris
First	38	62
Second	63	27
Third	21	112
Fourth	105	138
Fifth	138	23
Sixth	35	..
Seventh	7	..
Eighth	8	41
Ninth	..	35
Tenth	30 1/2	4 1/2
Total	435 1/2	301 1/2

On motion of Joseph Turner, the election of Mr. Harper was made unanimous.

M. G. Jeffris took the floor and promised to support President Elect Harper with all his strength. A motion was made to elect Secretary D. C. Owen and Treasurer F. C. Veeder by acclamation. Mr. Owen declined a re-election and nominated Herbert Aylward, who also declined. The motion to re-elect Secretary Owen and Treasurer Veeder by acclamation was then adopted.

A resolution was passed assessing each member of the league five cents to clear away an indebtedness. It was decided to hold the next meeting of the convention in Milwaukee on the day before the next republican state convention.

Just before the convention adjourned, President Elect Harper was brought before the convention by a committee led by M. G. Jeffris and he made a speech thanking his hearers for the honor conferred. He said he was not an orator, but a worker, and promised to show the league that he appreciated the honor.

FEW AT DEMOCRATIC CAUCUSES

Attendance Was Light and No Interest Was Shown.

The democratic ward caucuses last night were very lightly attended. The First ward caucus was held in the West Side fire station, and but four men were present—J. P. Baker, Harry Garbutt, B. H. Pulker and M. J. Sullivan. They named the delegates, endorsed free silver and the popera ticket and adjourned. The Fourth

ward caucus, which was also held in the city building, consisted of five men. The caucuses were held for the purpose of electing four delegates from each ward to attend the county convention to be held tomorrow to elect eight delegates to the state convention to be held at Milwaukee Sept. 2, to nominate state officers. They resulted as follows:

First Ward.
Chairman—J. P. Baker. Secretary—Harry Garbutt. Delegates—M. J. Sullivan, B. H. Pulker, Horace McElroy and F. S. Baines.

On motion of M. J. Sullivan the caucus endorsed Bryan and Sewall and instructed the delegates to vote for delegates to the state convention that favor a free silver candidate for governor.

Second Ward.
Chairman—William Smith. Secretary—C. C. MacLean. Delegates—Joshua Crall, William Smith, C. C. MacLean and J. Fred Hutchison.

Third Ward.
Chairman—V. P. Richardson. Secretary—Elmer Skelly. Delegates—J. A. Arnold, J. L. Mahoney, John Harvey and E. S. Head.

Fourth Ward.
Chairman—J. F. Connors. Secretary—Henry Hemming. Delegates—Isaac F. Connors, Fred Rothman, C. K. Miltimore and Henry Hemming.

Fifth Ward.
Chairman—P. J. Mout. Secretary—Jesse McCaffrey. Delegates—P. J. Mout, J. B. McLean, William Kammer and Daniel Courtney.

GAVE AN UP-RIVER PARTY.

Misses Fife and Rich Entertained, Last Evening, Most Pleasantly.

Seventy-two couples were the guests of Miss Harriet Fife and Miss Genevieve Rich, at a most delightful up-river party last evening. The steamer Columbia left her dock at 7:20, and the sweet strains of Smith's orchestra added pleasure to the moonlight ride. At Crystal Springs park special decorations had been hung, while the dancing hall presented a novel appearance, with the decorations of grasses, wheat and corn, with here and there a yellow pumpkin peeping from the bunches of grain. Caterer George Shurtliff served refreshments, and it was well towards midnight before the festivities came to a close.

MANY ASK ABOUT THE COMING FAIR

INTEREST IN THE SHOW IS INCREASING.

"Happy Jack," the Pacing Wonder, Will Be Seen in Exhibition Miles—Other Attractions Will Be Secured—Inquirers for Premium Lists Foretell Success.

The coming fair will be a hummer, and no mistake. The revised premium list appears to have met with popular favor, as more inquiries about the books have been received than ever before, and there seems to be more interest taken by exhibitors generally. Free entrance for competition will also be an important factor in swelling the list of entries.

A much larger exhibit than usual is expected from the merchants, as it not only contributes largely to the display, but is a good advertisement for them as well.

It will be a great week for the children, as all under twelve years of age will be admitted free every day, and premiums will also be offered for the following contests between them:

1st.	2d.
100 yard foot race, girls under 15...	\$1.00 \$.50
100 yard foot race, boys under 15...	1.00 .50
One-fourth mile bicycle race, boys under 15...	2.00 1.00
One-fourth mile bicycle race, girls under 15...	2.00 1.00
One-fourth mile pony race, boys under 15...	2.00 1.00
Lands...	2.00 1.00

Happy Jack To Pace.

These races will take place Wednesday morning at 10 o'clock when entries for the same can be made. There will be good horse racing every afternoon and the wonderful "Happy Jack" will pace against his record, which is alone worth the price of admission. The great hit made by this horse at the July races has prompted the management to secure him for the fair at great expense and the thousands of people who were unable to see him perform at that time will be enabled to do so at the fair. The horse wears simply a bridle and back pad so as to keep him checked, and hobbles. He is led up the stretch about fifty yards, turned loose, scores the same as horses in a race and when the starting judge cries "go" away he does go and no horse could hug the pole closer. When he passes the judges' stand at the finish of the mile the bell is rung and the horse stops.

Other Features Planned.

His best mile here in July was 2:12 1/4, which his owner is confident of beating at the fair. Those who have seen him will want to go again and those who have not should certainly not miss the opportunity. Other features will be added and a full program published previous to the fair. Extra efforts will be made to please everybody, and as the farmers will generally be through with their harvesting, there should be the largest attendance for years.

Extremely Low Rates to St. Paul and Minneapolis.

On account of the G. A. R. National Encampment, which opens at St. Paul, September 1, 1896, the North-Western Line, will sell excursion tickets to St. Paul or Minneapolis and return at exceedingly low rates. For full particulars call on agents of the Chicago & Northwestern Railway.

Many a day's work is lost by sick headache, caused by indigestion and stomach troubles. DeWitt's Little Early Risers are the most effectual pill for overcoming such difficulties. C. D. Stevens.

Mrs. Winslow's Soothing Syrup has been used by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. Twenty-five cents a bottle.

For the above occasion, the Northwestern Line will, on September 8 to 11, inclusive, sell excursion tickets to Lodi and return at very low rates, good returning until and including September 12, 1896. For tickets and full information apply to agents Chicago & North-Western R'y.

The whole system is drained and undermined by indolent ulcers and open sores. DeWitt's Witch Hazel Salve speedily heals them. It is the best pile cure known. C. D. Stevens.

Light : : : : Weight Wraps. . . .

These days find an increased demand for a light weight garment for evening wear, and we have been doing quite a business in this line, in which we offer many special good bargains. Capes and Jackets are both in favor and the showing is a large one. Capes range from \$2.00 up and Jackets from \$2.50. They are all of this season's production, have proper sleeves and are up to date in every way. Among the Capes are a number of very swell garments which were up to \$25, but in order to close them out we will just cut the prices in half. HALVOR WAS NOT
A GOOD HUSBANDJUDGE BENNETT SEVERES A
NUPTIAL KNOT.

After Living Together Fifteen Years, and Raising a Family of Five Children, Mr. and Mrs. Gunderson Could Not Agree, and a Suit Follows.

After having been married for fifteen years, and raised a family of five children, a Green county couple decided that they did not pull well together in the double harness of matrimony, and Judge Bennett was today called upon to unhitch them. After hearing the story, the judge this morning granted the bill as asked for by Oline Gunderson, the defendant being her husband, Halvor Gunderson.

The parties have of late resided upon a farm near Brodhead, and are well known throughout that part of the state. Mrs. Gunderson stated in court that she and her husband had lived together for the past fifteen years, during which time they were blessed with five children, but of late, Halvor, she said, had been a "drinking man," and and occasionally, while inebriated, amused himself by pulling her around the house by the hair. Gunderson was married before and by his first wife he is the father of a seventeen year old son, who appeared in court this morning and testified in behalf of his step-mother. Mrs. Gunderson was given the custody of the children. The defendant did not put in an appearance, while Mrs. Gunderson was represented by Attorney Burr Sprague, of Brodhead.

WILLIAM HEMMING IS CALLED HOME

WELL KNOWN BUSINESS MAN
PASSES AWAY.

His Death Occurred at His Home Early This Morning. His Western Trip Having Been of No Benefit—Demise of Glenn A. Bowerman—Other Deaths.

William Hemming, one of Janesville's well known business men and most respected citizens, died at 5:07 o'clock this morning, after a painful illness, aged sixty-three years, his demise occurring at his home, 55 Cherry street.

Mr. Hemming had been ill for some time with a complication of diseases resulting from kidney and liver trouble. Five weeks ago tomorrow he decided to go west in search of a more favorable climate, and left for Colorado Springs, Col., accompanied by his son. When that city was reached, however, the specialists that were consulted, told Mr. Hemming that he could expect no substantial benefit from the trip, and advised him to return home. This they did, and since their arrival, Mr. Hemming's condition has been critical, finally ending in his dissolution.

Mr. Hemming was born in England in 1833, and came to America in 1849. He had always taken a prominent part in the affairs of the city and had served his ward as alderman for several terms. He also served in the fire department many years ago. He was engaged in brewing, the firm name being Hemming & Son, their brewery being on North Franklin street and the office on West Milwaukee street. Mr. Hemming enjoyed the respect and esteem of all who knew him. He was a thorough business man and his promptness and fidelity in all commercial transactions was one of the elements of his popularity. Personally he was of a genial, kind hearted nature, and was ever ready to extend a helping hand to those in distress.

Besides an aged mother, Mrs. Barston, and the widow, he leaves five children, they being Mrs. C. F. Goodwillie, of Chicago, William, John, Edward and Ensign Hemming, all of this city.

The funeral will be held from St. Patrick's church at 9:30 o'clock Thursday morning.

Glenn A. Bowerman.

Glenn A. Bowerman died very suddenly at 7:30 o'clock last evening at the home of his mother-in-law, Mrs. Herkimer, on South Academy street. Mr. Bowerman had not been well for some time, but had not been confined to his bed until within a very short time. Even after he became so ill as to require him to stay indoors, he was up and about, and as late as last Sunday he was down town. Last evening, however, his illness assumed an acute form, and as his nurse left his side to get a mustard plaster, death claimed him, and he sank quietly and peacefully into the rest that seemed like sleep.

Mr. Bowerman was the son of Mr. and Mrs. Charles Bowerman, 29 Ruger avenue, and was thirty-two years of age. He grew to manhood in this city and was well known to Janesville people. For several years he had been a traveling salesman. Five years ago next month, he was married to Miss Louise Herkimer, who, with a three year old daughter, survives him. To them, and to the bereaved parents, heartfelt sympathy will be extended at the hour of their deep sorrow.

The funeral will be held from the home of Mrs. Herkimer, 152 South Academy street at 2 o'clock tomorrow afternoon.

Funeral of Quinlan Murphy.

The funeral of Quinlan Murphy was held from St. Patrick's church at 10:45 o'clock this morning. Rev. Father Collins officiating. The interment was made at Mount Olivet, the pall bearers being James Dee, Ed Murphy, M. Sullivan, Nicholas Reed, Patrick McCaffrey and Richard Barry.

Funeral of Mrs. Hogan.

The funeral of Mrs. Mary Hogan was held from St. Patrick's church at 9:30 o'clock this morning. Dean McGinnity officiating. The pall bearers were George Skinner, Thomas Rooney, George Cullen, Patrick Gagan, Patrick Shields and Patrick McGinley.

Mrs. Michael Smith.

Mrs. Michael Smith of Beloit, died at the county farm yesterday morning, and Undertaker P. W. Meehan of Beloit, came up yesterday afternoon to take charge of the remains and accompany them to the Line City.

CAMP DEAN FALLS 'NEATH THE BEAST

A PECULIAR RUNAWAY ACCIDENT YESTERDAY.

Lost His Balance and Tumbled Between the Equine's Legs—Young Lady Had a Wild Ride—Boy Kicked by a Horse—Other Minor Accidents.

When Camp Dean alighted from a buggy yesterday afternoon to adjust the harness on his horse, he lost his balance, and falling between the animal's legs so frightened the beast that it ran away and carried a much frightened young lady, who was in the buggy, two miles, before it was caught.

Mr. Dean resides in the town of Center, and is handicapped in getting about, by the fact that he has lost a leg. He drove to town yesterday and on the return trip he was accompanied by Miss Nellie Hubbard, who resides on Cherry street. All went well until Highland avenue was reached, when the harness became loose, and Dean, upon alighting, lost his balance, falling directly beneath the horse. The animal plunged, the young lady screamed, and the wheels of the carriage passed over Dean's chest as he lay on the ground. With the reins dragging in the road, the horse ran over the hills toward Evansville, but was finally captured with but little damage, although Mrs. Hubbard was much frightened during her wild ride.

A telephone message was then sent to Dr. W. H. Judd, who, accompanied by Dr. James Gibson, left for the scene of the accident. They found that while Dean had been painfully injured, no bones had been broken. He was then removed to the residence of H. S. Woodruff, where he remained over night, and was taken to his home today.

Some Other Accidents.

John Osgood, the ten-year-old son of Mr. and Mrs. George Osgood, who resides south of the city, was kicked in the face by a horse. The accident happened about 6 o'clock last evening while young Osgood was hitching up Dr. Q. O. Sutherland says no bones were broken, although the boy was painfully bruised.

The little four-year-old daughter of Mr. and Mrs. Marsden, who resides on Caroline street, is nursing a severely sprained arm. While playing on the porch at the Paul residence she lost her balance, falling with such force as to break the ligaments of the arm near the elbow.

An unknown cyclist crashed into the railroad gates at the Academy street crossing, breaking the gates in two, besides injuring himself, last night. At 8:30 o'clock Gate-Tender John Dolan was seated in his "tower house" when he heard a crash and looking out, saw a bicycle rider gathering himself together on one side of the road while his wheel was on the other. Before Mr. Dolan could reach him the cyclist had made off.

J. T. Newman, the life insurance agent, was thrown from his wheel by a collision with a tandem this afternoon. It was thought that he was badly hurt so the fire patrol was called but upon reaching the bridge the ambulance met Newman returning on his bike.

A committee consisting of William Mason, John Fulton and William Hugh was appointed to make arrangements.

SHARON TEAM IS IN THE LEAD

They Had Six Runs at the End of the First Inning

At one time today, the indications were that the second game between the Edgerton and Sharon nines would not come off, owing to a disagreement in relation to players. The difference was finally patched up, however, and the game went on after a wrangle Sharon insisting on putting several new players in the field. This action was protested under agreement. At 4:15 o'clock but one inning had been played and the score stood 6 to 0 in favor of Sharon. The final game will be played tomorrow, regardless of which team is winner today.

LOCAL COMMERCIAL AGENCY
BEING ESTABLISHED.

Plan Is To Model the Volume After the Dun and Bradstreet Reports, Except That They Will Cover Only the City, and the County of Rock.

The reputation and financial standing of every man in the city of Janesville is now being obtained and will be embodied in book form for the benefit of the retail merchants.

The volume will be a "local commercial agency report" and will be to the local dealer, what Dun's or Bradstreet is to the manufacturer or wholesaler.

The firm of Mayer & Duesen, representing the Commercial Credit Agency of Chicago, are now quartered at this Hotel Myers, and are at work getting out the volume. Whether or not this plan will work remains to be seen, but the plan includes the listing of the citizens of Janesville and also those of the county at large. The rich and poor will appear in the list side by side, and if the poor man pays his bills better than the rich man, and has as good credit and as good a reputation, his rating will be as high in the credit column, as his more fortunate neighbor.

The work will take some time, and although it is a new venture in this part of the state, it has been successfully tried in other parts of the country.

PARISIAN FANCIES.
Four Yards the Correct Width For a Dress.
Fashionable Sacks.
The skirt of the immediate future is only a little over four yards in circumference. This is a move in the right direction, especially as cold weather and fashions together will bring an abundance of thick woolen goods. The decrease of amplitude will relieve suffering womanhood from much unnecessary weight of apparel, since less crinolene is now being used.
Parisian authorities consider the square décolletage most becoming to women inclined to embonpoint, while slender ones have the neck of the gown cut rounding.
The hair is still worn more or less waved, the back hair being coiled rather high. The side locks are left rather loose and fluffy and are fastened by side combs.
Alpaca, mohair and materials of that kind are very much liked for traveling wear, but nothing can surpass a good quality of serge or a camel's hair. Many fashionable women have a skirt of wool and a waist of silk in some subdued color or a plaid. There are dark blue, green, gray and brown plaids that are exceedingly stylish and make the most perfect waists for this purpose. A loose and easily adjusted

When a baby comes to the house real happiness comes. The care and anxiety count for nothing against the clinging touch of the little hands and the sound of the little voice. The highest function given to human beings is bringing healthy, happy children into the world. Over thirty years ago the needs of women appealed to Dr. Pierce, now chief consulting physician to the Invalids' Hotel and Surgical Institute, of Buffalo, N. Y. The result of his study improved by thirty years of practice is embodied in Dr. Pierce's Favorite Prescription. It strengthens, purifies and makes healthy the organs distinctly feminine. It gives weak women the strength and health necessary for the production of healthy children and it makes the bearing of those children easy. It is sure to cure any weakness or derangement peculiar to women; stops pain, soothes inflammation, strengthens, purifies, invigorates.

A Handsome Complexion

YOUNG GIRL'S GOWN.
ed wrap and a trim little hat, with leather gloves, finish the costume most satisfactorily. It is unnecessary to say that no jewelry should be worn. Studs, cuff buttons and a watch and chain are permissible, but these are hardly to be reckoned as jewelry. Some women always wear their rings, thinking that the hand is the safest place for them, in which supposition they are probably correct, but all other articles of ornament pure and simple are tabooed.

A sketch is given of a gown for a very young girl. It is of flowered muslin, the skirt being trimmed around the foot with three ruffles of cream linen edged with narrow lace. The bodice is gathered at the waist and has in front a full plastron of cream lace. The neck is cut down in a slight, round décolletage and is finished by a drapery of deep rose velvet. The belt is of the same material. The bouffant sleeves have full epaulets of lace.

SILK PETTICOATS.

They Are Unsatisfactory For Everyday Wear--Cambrie Much Better.

Silk petticoats are a delusion and a snare to any woman who cannot afford a new one every month. Few articles of apparel appear more enticing when they are displayed in the shops, and their lightness and delicate coloring make one feel that one's wardrobe is incomplete without a specimen of these ruffled and furbelowed garments. But alas for the woman of moderate circumstances who buys a silk petticoat, especially if it be of taffeta, with the idea that she will wear it and "get the good of it," as the saying goes. The friction of walking cuts every fold of the ruffles, the slightest dampness shrinks the cord in the border of the flounces, so that the latter are all puckered at the edge, while the foot of the petticoat comes to rags very shortly. For occasional wear under a thin evening dress the silk petticoat will do very well, but as human nature's daily foot it is not satisfactory. Mohair, saten and moreen are far better investments. They are cheaper in the first place, much more durable and keep their freshness longer. White petticoats of muslin, cambrie or lawn are exceedingly pretty and very fashionable at present. Trimmed with lace and ruffles they are as dainty as

WHITE TOILET.

heart could desire and possess the merit of looking as well as new every time they are laundered. The short bolero is of cream lace over cream taffeta and has square fronts opening over a full chemise of white mousseline de soie. The draped corset is of lizard green liberty satin. The sleeve is of cream lace over cream taffeta and has a lace cuff at the wrist. The collar is of white mousseline de soie.

JUDIC CHOLLET.

An Artist's Aptitude.
Sir Walter Besant tells of the following curious coincidence which happened to himself. "I was consulting," he says, "an artist with regard to the face and feature of a character which he was illustrating for me, and I briefly described to him the kind of face I had in mind. He was meanwhile rapidly sketching a face on a piece of paper he had before him. 'Will that do?' he asked, showing me the exact portrait of the man I had been thinking of."
